Well, that makes it difficult to find. It's posted twice though? Odd. But thank you for your help and hope you have a wonderful weekend.

Best,

That's not our program - we aren't holding any programs in Wyoming this year. Someone made a mistake. Plus, the town is "Dubois".

Thanks for checking.

Sorry, one more thing, can you confirm this CLE is being put on my Trial Lawyers College? And if so, what the title is if I wanted to locate it?

Agreed! I am getting all sorts of ads for irrelevant items.

And sometimes LinkedIn seems worse than the others. Looks like they do mean to hold it in person - thanks for the info.

Hope you find the course you need.

have a great weekend!

Well, I saw it on LinkedIn, which I (personally) think has the same issues. This week, my ad's have been directed at sparkling water? Like insane ads just about sparkling water. Next week, it'll be bottled water I bet.

I ended up finding it- it's apparently in Buboia, Wyoming? I guess it isn't virtual then?

Heading to Buboia Wyoming to speak at Trial Lawyers College! What an amazing opportunity to speak to some of the best Trial Lawyers in the nation and be among those who teach and pass on the years of experience and success. Thank you Trusted Legal Partners for arranging this great opportunity. Humbled and Honored.

I do not recognize that name - so it must be another CLE program. I hope you find it - I know what it's like to try and find a post I saw previously, those darned FB algorithms keep switching things on me!

It was of a potential speaker, Andrew Garrett, or so I thought. Is he scheduled for any upcoming CLE's/presentations? If so, I'd like to sign up.

Thanks,

Hello Elizabeth -

we don't offer a specific course on medical records, but if you can provide a link or screenshot of what you saw, I can try and help you sort that out.

Thanks,

Nancy

Hello,

I am wondering if Trial Lawyers College is having a presentation/CLE on medical records? Either altered/interpreting/using at trial/ any topic on medical records. I saw a post that one was scheduled, but cannot seem to locate on your website to sign up. Thank you.

Best,

Elizabeth Ousley
